

Báo cáo Lab 4

Họ và tên: Lê Thành Nguyên

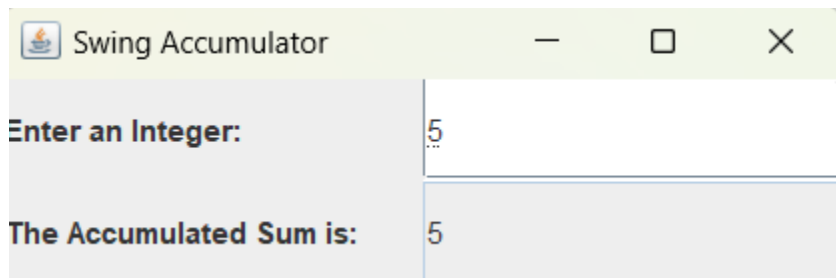

Bài 1. SwingAccumulator.

Tính tổng cộng dồn của các số được nhập:

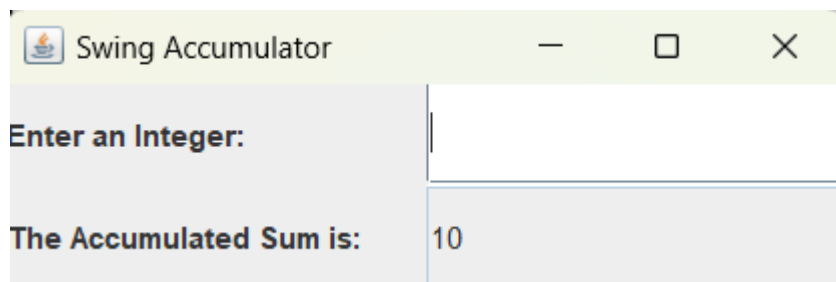

Ban đầu nhập 5

Sau đó, nhập tiếp số 5:

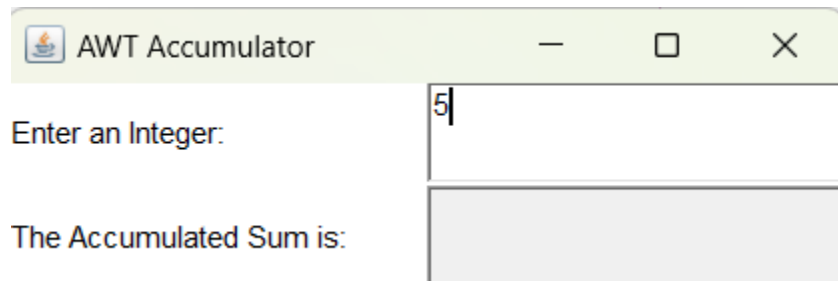

Kết quả:

Bài 2. AWTAccumulator

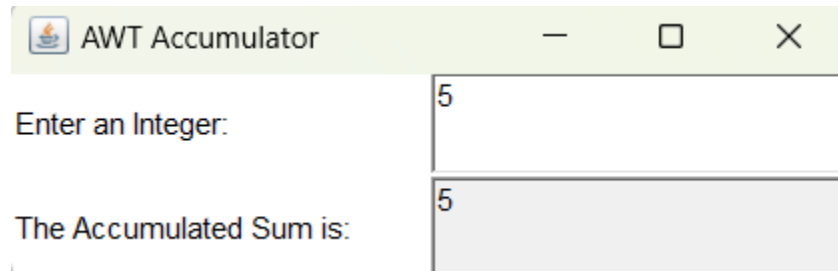

Tương tự như SwingAccumulator

Nhập 5

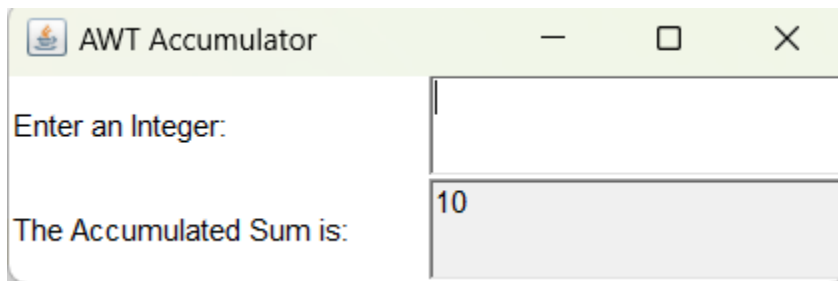

The screenshot shows a window titled "AWT Accumulator" with a standard Mac OS X title bar (green, yellow, red buttons). Inside the window, there are two labels and two text input fields. The first label is "Enter an Integer:" followed by a text field containing the number "5". The second label is "The Accumulated Sum is:" followed by an empty text field.

Nhập tiếp số 5

The screenshot shows the same "AWT Accumulator" window. The first text field still contains "5". The second text field, which was empty in the previous screenshot, now contains the number "5".

Kết quả

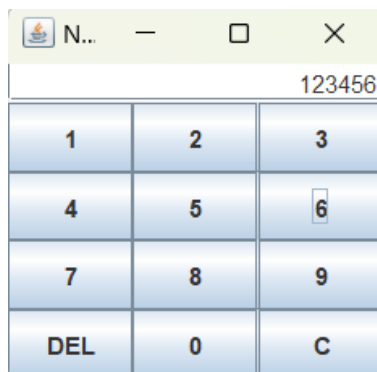

The screenshot shows the "AWT Accumulator" window. The first text field is now empty. The second text field now contains the number "10", representing the sum of the two inputs (5 + 5).

Bài 3. NumberGrid

Nút DEL để xóa số được nhập cuối cùng

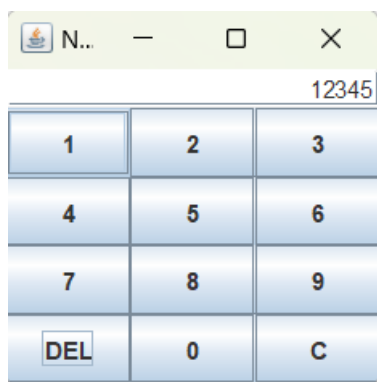

Nút C để xóa tất cả

The screenshot shows a window titled "N..." with standard Windows window controls. Below the title bar is a display area showing the number "123456". Below the display is a 4x3 grid of buttons. The buttons are labeled as follows:

1	2	3
4	5	6
7	8	9
DEL	0	C

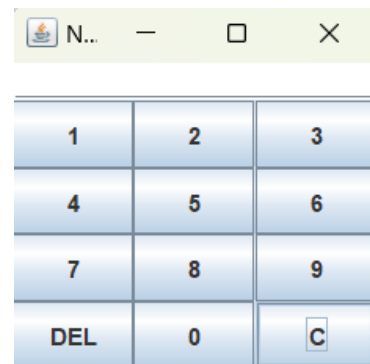

Sau khi nhấn DEL

The screenshot shows the same window after the DEL button has been pressed. The display area now shows "12345". The button grid remains the same:

1	2	3
4	5	6
7	8	9
DEL	0	C

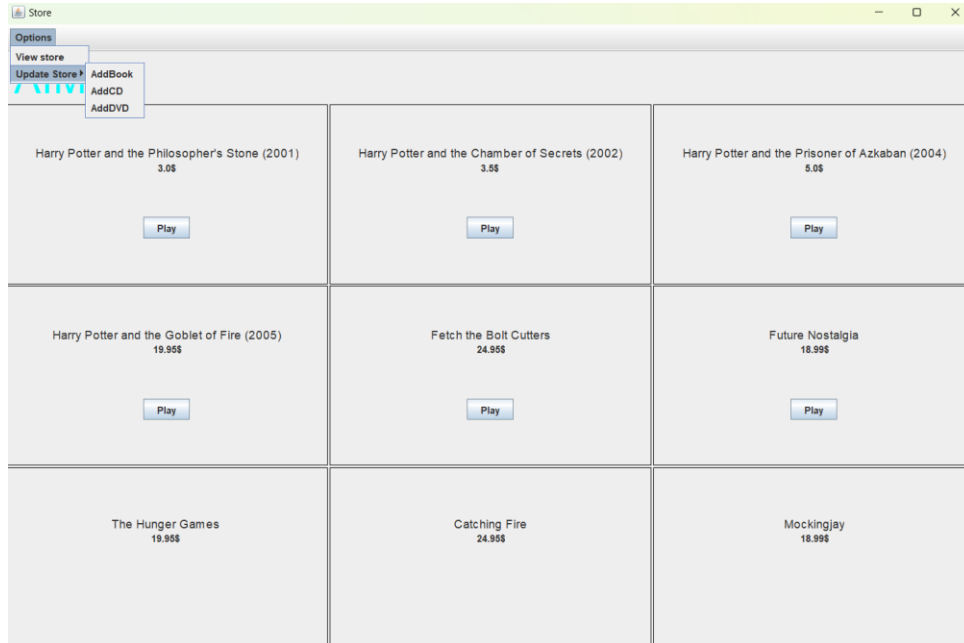

Sau khi nhấn C

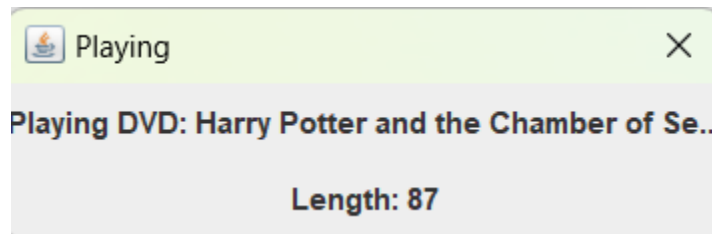

The screenshot shows the same window after the C button has been pressed. The display area is now empty. The button grid remains the same:

1	2	3
4	5	6
7	8	9
DEL	0	C

Bài 4. StoreManagerScreen

Khi nhấn Play:

Khi chọn AddBook:

The screenshot shows a dialog box titled "Add Book" with a menu bar containing "Options". The main area contains a form with the following fields:

- Book's title:
- Book's category:
- Book's cost: 0
- Book's content:

At the bottom, there are "Reset" and "Submit" buttons.

Khi chọn AddCD:

The screenshot shows a web browser window titled 'Store'. The page has a header with the 'AIMS' logo in blue. Below the header, there is a form titled 'Options' for adding a CD. The form contains the following fields:

- CD's title: A text input field.
- CD's category: A text input field.
- CD's director: A text input field.
- CD's artist: A text input field.
- CD's length: A text input field with a '0' placeholder.
- CD's cost: A text input field with a '0' placeholder.

At the bottom of the form, there are two buttons: 'Reset' and 'Add Track'.

Khi chọn AddDVD:

The screenshot shows a web browser window titled 'Add DVD'. The page has a header with the 'AIMS' logo in blue. Below the header, there is a form titled 'Options' for adding a DVD. The form contains the following fields:

- DVD's title: A text input field.
- DVD's category: A text input field.
- DVD's director: A text input field.
- DVD's length: A text input field with a '0' placeholder.
- DVD's cost: A text input field with a '0' placeholder.

At the bottom of the form, there are two buttons: 'Reset' and 'Submit'.
